Bio

Jacob is a 65-year-old consultant with over 40 years of experience in the healthcare industry. He began his career as a nurse and eventually worked his way up to senior management positions in several large hospitals. After retiring from his last hospital job, John decided to become a consultant and share his expertise with other organizations.

In his free time, John enjoys hiking and spending time with his wife and grandchildren. He lives in a quiet suburb and is an active member of his community, volunteering for several local organizations.

Goals

- He likes to spend time with family and friends.

- Staying healthy and active is often his priority, whether it's through regular exercise, healthy eating habits.

- Finding other people to talk about pet owning

Frustrations

- Don't like to be tracked and would love some privacy features

- Not having Simple and easy-to-use interfaces in the app

- Not having accessiblity to visually impaired users, with features like large fonts, high-contrast color schemes, and other accessibility tools.
