Mockup:

This is the Budget Screen of our Team's Finance Tracking App.
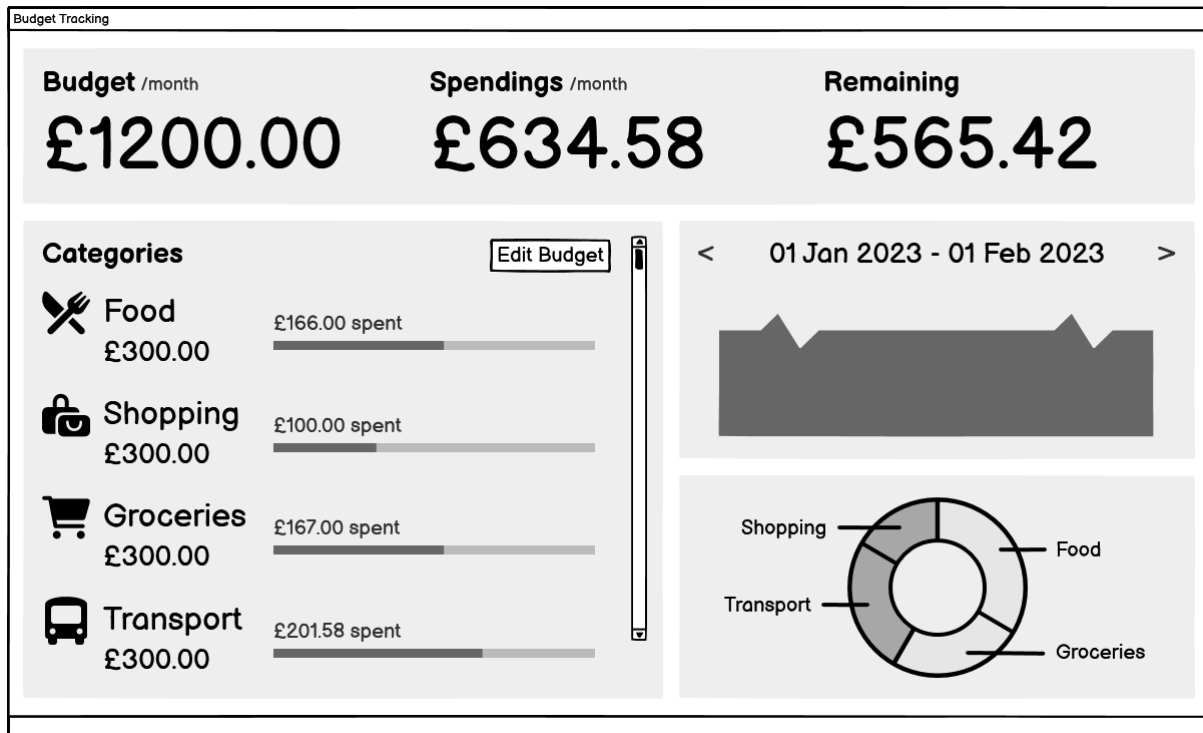

The below screen is the window that will appear after clicking on the Edit Budget button.

Persona:

This persona represents Joseph who is a student at the University of Birmingham and works part-time at Starbucks.

Joseph David Wellington

"I'm a university student who is new to managing my own finances"

Personal Data

Age: 18

Occupation: Student / Part-time Barista at Starbucks

Family: Father, mother, younger sister

Location: Birmingham, UK

Character: Outgoing

Bio

Joseph is a first-year university student at the University of Birmingham. His parents gives him a monthly allowance to spend on accommodation and groceries as he does not live at home. On top of that, he works at the local Starbucks as a part-time barista when he has no classes. As a young adult living on his own for the first time in his life, he would like a platform that helps manage his finances.

Goals

- To keep track of his monthly spendings
- To save up money

Frustrations

- He finds himself sometimes overspending and using up his allowance and income due to poor money management

- Most months he has little to no savings
